## ERIE ENGINEERS MUST KILL HIM WILL NOT STRIKE TO AID FIREMEN

Chief Stone Says They For Hasn't M. Coblentz Aren't Likely to Go Out in Any Event.

WILL KEEP CONTRACTS

Lackawanna Settles Differences with Its Men by Making Concessions.

An unexpected settlement of the last reached, a still more significant statement was made by Warren Stone, Grand Chief of the Brotherhood of Locomotive Engineers, who had

e been counted upon as most likely strikes. All along it has been expected that they would have the open support of the engineers of the road. This was put to Mr. Stone: Will the Erie engineers support the

Not Likely to Strike?" "I hardly think so," said Mr. Stone. motive Engineers is a big organization,

and always keeps its contracts." men on the Erie, and that it was not likely the Eric would allow them to

ight in some quarters that It is thought in some quarters that sydied the idea of giving a series of Chief Stone's statement will cause a Sunday night performances at the have been going on between the representatives of the two brotherhoods— The venture failed and this year M. engineers and firemen. Nevertheless, Coblentz interested M. Maillard, the Grand Chief Hannahan of the firemen

Hannahan said to-day that it would be found that the shows made money. He Thursday before all the returns had then demanded to be taken in as partestern divisions will show the sand promoters in animity in voting to stand fast for go on with his part.

The curtain on "All the Comforts of the curtain on "All the curtain on "All the comforts of the curtain on "All the cur their demands that the firemen in the

If the poll shows a two-thirds maority of the men to be in favor of Mr. Hannahan will make one more call upon the company to meet the request he would not appear unless a financial trike must inevitably follow.
